## PROHIBITION IN HAWAII

HONOLULU, AUGUST 23.—The discovery has been made that the wording of the territorial bill congress has made an enactment that absolutely prohibits the sale of intoxicating liquors in the territory of Hawaii. In section 55 of the territorial bill are the words, "nor shall spirituous or intoxicating liquors be sold except under such regulations and restrictions as the territorial legislature shall provide." The territorial legislature has not met yet and cannot meet for some months, unless there is a special session, hence no regulations can be made.

Still another difficulty growing out of the change in laws was developed yesterday in the district court, where Edward Gill, editor of the Republican was on trial for criminal libel for his paper's account of the recent bar association banquet. It was contended by the defense, that Gill, under American law, had a right to both indictment by a grand jury before trial and a jury trial in the first instance. The district court could not give the latter. The case was thrown out of court on the ground that it was the business of the grand jury before it came before a court.

Flogging as a prison punishment still remains on the rules of the Oahu prison and an agitation has been started for the elimination of some of the harsher features of the old prison laws.

### Prevented a Tragedy.

Timely information given Mrs. George Long, of New Straitsville, Ohio, saved two lives. A frightful cough had long kept her awake every night. They had been just paid off and the robbers got between \$300 and \$400. This is the second hold up of this kind that has occurred near Denver and the authorities are making efforts to apprehend the robbers.

### Story of a Slave.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams of Manchester, Mich., says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, head ache, backache, fainting and dizzy spells. It is a godsend to weak, sickly, rundown people. Cure guaranteed. Only 50c. Sold by C. R. Renfro, druggist.

STATTLE, WASH., AUGUST 23.—The Northern Pacific Steamship company's Cape Nome steamer Tacoma, ran ashore at about nine o'clock this morning in a dense fog about a half a mile south and east of Alki point on a very dangerous piece of beach, as at the point where she lays there are many large boulders and she has over 100,000 tons of coal aboard she will be in danger of sustaining structural injury in case she lays on the rocks. It is possible that at the next raise of the tide the Tacoma may be floated. Tugs have been to her assistance.

BERLIN, AUGUST 23.—The liberal papers are sharply discussing what they describe as the illegality of the recent reorganization of the army incidental to the China expedition.

The National Zeitung points out that next Thursday's ceremony of bestowing flags and standards upon twelve Asiatic battalions gives the appearance of intended permanency to these organizations. It also shows that since the passage of the military law of 1874, all changes in organization have been made by legislation, which is the fundamental principle of the imperial constitution. "The paper refers to the period of conflict in politics in which the same questions were involved."

The Freisinnige Zeitung asks what has become of Emperor William's reward offered for the rescue of the legionnaires, pointing out that this has been earned by the international troops and amounts to about three million marks.

The Liberal Correspondenz estimates the cost of Germany's China expedition by October 1 at 100,000,000 marks.

Mothers endorse it, children like it old folks use it. We refer to One Minute Cough Cure. It will quickly cure all throat and lung troubles.

MUSCOGEE, I. T., AUGUST 23.—There has been considerable complaint by merchants and others who are required to pay taxes in Indian Territory about what was regarded as laxity of United States authorities in not requiring the cattleman of the territory to pay the tax of \$1 per head on all cattle introduced in the Creek and Cherokee nation, as provided for in section 217 of the revised statutes of the United States. It seems, however, that the government has been moving right along in these matters and while the process of having such questions determined in the United States courts of the territory is necessarily slow, it is quite sure that the matter will be settled before the next grazing season begins.

Millions will be spent in politics this year. We can't keep the campaign going without money any more than we can keep the body vigorous without food. Dyspepsia used to starve themselves. Now Kodol Dyspepsia Cure digests what you eat and allows you to eat all the good food you want. It radically cures stomach troubles.

NEW YORK, AUGUST 23.—The fight between Peter Mayer and Joe Chonyski which was to have taken place at the Broadway Athletic club tonight, had to be declared off on account of Chonyski's sickness. Chonyski who has been training on Staten Island for some time past, came up to the city this evening, and went to his room in the Colonnade hotel, next door to the club house. About 7 o'clock he had an attack of stomach trouble, and a physician was hurriedly summoned. The doctor, after examining Chonyski, said that he was totally unfit to take part in any ring contest. As soon as the manager of the Broadway Athletic club heard of this he declared the bout off and refunded the money to the few spectators who had already paid for admission.

The wolf in the fab' put on sheep's clothing because if he traveled on his own reputation he couldn't accomplish his purpose. C. W. Welfer's DeWitt's Witch Hazel Salve couldn't sell their worthless salves on their merits so they put them in boxes and wrappers like DeWitt's. Look out for them. It cures piles and all skin diseases.

COLUMBIA, O. T., AUGUST 23.—(Special)—The Pioneer says:

Lowhead Post, G. A. R., held their annual reunion at the residence of W. H. Rutledge near Columbia on last Saturday. The post was organized about ten years ago, with thirty-five members but their number is decreasing every year, and but few were in attendance. A good time was had notwithstanding the day was hot and the roads were dusty. A beautiful grove in Mr. Rutledge's yard furnished good shelter from the sun; a well of living water in the same yard kept the tongues of orators from parching and the good lady of the Rutledge mansion came to the rescue of the Kingfisher people about dinner time with a bountiful repast which was highly appreciated after a twenty-five mile ride. The day was well spent and the old veterans of '61-'65, although few in numbers, expressed themselves as well pleased with the program.
